

Saw you this morning

by Frank Mielke

1. Saw you this morning, waited for two weeks
to hear – there is no chance.
A face in the mirror is slowly fading,
I wonder if it`s me or someone else.

But it is not you...

All those mem`ries in my mind brought me back to you.
Here I stand and don`t know why and what I`m looking for.
And if I stay here for a while I should not be the same.
And if I go for a little walk this mem`ry comes again.

Saw you this morning. Saw you this day.
Saw you this morning. Saw you this day.

2. My face is distorted my body is fixed
and my soul cries out for you.
My feelings and thoughts are spinning around
and around, around, around, ...
3. Remembered the future, discovered the past
and the here-and-now is far away.
I long for the the moment when I shall not have fear
to face that you cannot take my love – today.

But today is far...
